Please find attached the current Terms & Conditions that apply to showings of Reel Earth for 2011. I should point out that the non-refundable \$200 deposit is part of the calculation for box-office receipts. This implies that when box office takings exceed \$400, the organiser agrees to forward 50% of the takings over and above this amount to Reel Earth.

We can also provide an electronic version of this year's Reel Earth poster with space to add your own locality details.

We look forward to hearing from you in due course.

Regards

Vince, Ross & George
